

Review / Impact of Sport Premium Spending 2013-2014-2015-2016-2017

A priority for the spending of our Sport Premium Funding was to increase the number and variety of extra-curricular sporting opportunities available to our pupils, in order to enhance participation both in inter and intra school events. We have also prioritised allowing our children opportunities to lead and manage sporting events.

The table below demonstrates the positive impact of our spending in this area.

2012-2013	2013-2014	2014-2015	2015-2016	2016-2017
8 Level 1 Intra School competitions	14 Level 1 Intra School competitions	17 Level 1 Intra school competitions	18 Level 1 Intra School competitions	20 Level 1 Intra School competitions
6 Level 2 Inter School competitions attended (excluding league fixtures)	10 Level 2 Inter School competitions attended (excluding league fixtures)	13 Level 2 Inter School competitions attended (excluding league fixtures)	14 Level 2 Inter School competitions attended (excluding league fixtures)	15 Level 2 Inter School competitions attended (excluding league fixtures)
2 Level 3 Inter School competitions attended (in one sport)	3 Level 3 Inter School competitions attended (in two sports)	4 Level 3 Inter School competitions attended (excluding league fixtures)	5 Level 3 Inter School competitions attended (excluding league fixtures)	5 Level 3 Inter School competitions attended (excluding league fixtures)
0 B Teams 0 C Teams	3 B Team 0 C Teams	3 B Teams 2 C Teams	4 B Teams 3 C Teams	5 B Teams 3 C Teams
39% of Key Stage 2 children taking part in extra curricular activities.	75% of Key Stage 2 children taking part in extra curricular activities.	90% of Key Stage 2 children taking part in extra curricular activities.	93% of Key Stage 2 children taking part in extra curricular activities.	95% of Key Stage 2 children taking part in extra curricular activities
