

“Working together to fulfil potential”

# End of Spring Term Newsletter 2024

Dear Parents/Carers,

28.03.2024

We have had such jam-packed Spring Term, and I’m sure everyone is looking forward to the Easter Break.

All classes have participated in a huge array of activities and events this half term, which enhances the already fantastic learning experiences going on in every classroom. We hugely appreciate both the financial contributions and the support and engagement with activities that parents & carers have made!

## Easter Activities and Raffle

Both our Egg competition and Easter Bonnet parade sparked great ‘egg-citement’ this week, and was thoroughly enjoyed by all children. We had so many amazing entries – it really was such a difficult task to judge! This, alongside our raffle, **raised a total of £403** which we will be putting towards the purchase of an iPad for each class.

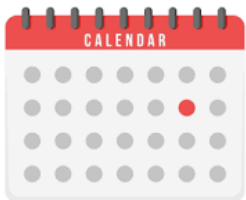

A huge well done to our Easter Raffle winners: **Charlotte Y2; Noah Y3; Neyhl Reception** and **Jasmine Y6**.

## Parent Survey

Thank you to those of you who have already completed the parent survey. Your feedback helps us to ensure we continue to provide the very best education and opportunities for our children. The Senior Leadership Team have already started to go through the responses we have so far, and we will use this to identify priorities for further development in the summer term. We will provide parents and carers with further information on this in due course. The survey is still live, so if you haven’t already completed it, please do follow the [link](#) to offer your feedback on various aspects of school life.

Please find below some key dates for the Summer Term. Further information will be shared on our return, in the April Newsletter.

### Dates for the diary:

15.04.24	School Closed - INSET
16.04.24	School reopens
